About the Event

Since 2011, PharmOut has hosted the annual forum to provide international regulatory changes, best practice up-dates and innovative thinking within the life-science industry. International and Australian presenters have shared ideas and experiences around these industry hot topics, with your help we have helped shape a better Australian life-science manufacturing sector.

The GMP forum has a new name and venue! It is now the Pharma Device Forum 2024 and will be held at the Melbourne Exhibition and Convention Centre – giving us more room for sponsors and attendees. This is a great opportunity to share exciting ideas, problem solving techniques and experiences around industry hot topics and innovation. In order to make this event successful, we need your help!

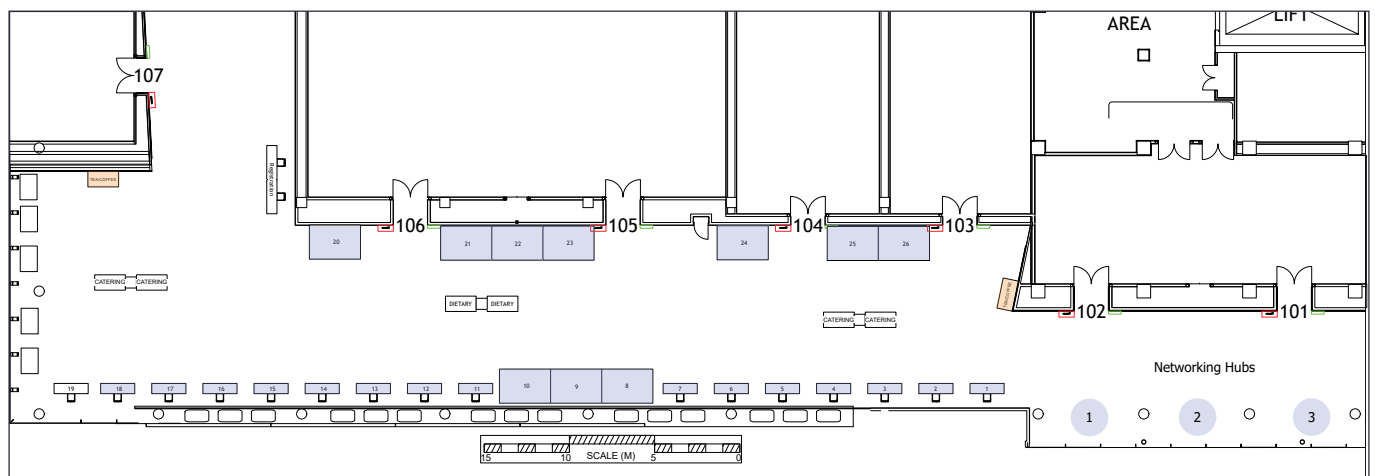

At this stage we plan to discuss, debate and listen to thought leaders on subjects like, inspection trends, remote auditing, distribution, supply chain verification, quality culture, continuous improvement, quality metrics, quality risk management, process, cleaning and computer systems validation, equipment qualification, novel approaches to manufacturing and testing, facility design, equipment and systems design and construction.

Sponsorship Opportunities

As a sponsor of the Pharma Device Forum, you will gain visibility and opportunities throughout the conference to promote your brand, products and services.

The exhibition area is integral to conference activities with displays located in the Level One Foyer. All catering (including lunch) will be served in the foyer area ensuring great exposure to all delegates throughout the conference.
